

How to Request electronic documents for your Brokerage Account

- After logging in to your account on MyStreetscape (www.mystreetscape.com), click on the blue “Enroll Now” link on the bottom left of the screen under Go Paperless. Alternatively, you can click on the Service Tab, on the top right and select “Document Delivery Instructions” from the menu. Both will bring you to the same page.

The screenshot shows the mySTREETSCAPE website interface. On the left, there is a 'Go Paperless' section with an 'Enroll Now' link. On the right, there is a 'Service' menu with a 'Document Delivery Instructions' option. A callout box on the left says: 'Click either the “Enroll Now” link OR go to Service> Document Delivery Instructions'. An arrow points from this box to the 'Document Delivery Instructions' menu item. Another arrow points from the 'Enroll Now' link to the same menu item. A 'Welcome!' message and a 'MONEY MOVEMENT' section are also visible.

- A new window will pop up with your options for each account you have registered. Highlight the first account and select Electronic Delivery for each type of document you would like to receive electronically. Click Save this Account and then I agree. Repeat for each account.

The screenshot shows the 'Document Delivery Instructions' form. It includes a section for 'Select and save each account separately' with a table of accounts. Below this is an 'E-Mail Address' field. A table lists document types with radio buttons for 'Electronic Delivery' and 'U.S. Mail'. A callout box on the left says: 'You can change your notification email address here' with an arrow pointing to the 'E-Mail Address' field. A callout box on the right says: 'Check your preference for each type of document or check this box to request all docs be delivered electronically.' with an arrow pointing to the 'Set all documents to electronic delivery' checkbox. Below the table, there is a 'Save This Account' button.
